* HB292 (2023) & HB521 (2024) Property Tax Relief - established a new School District Facilities Fund. This fund will be paid to eligible school districts' bonds and supplemental levies using State money to contribute to a reduction in property tax. Relief will be allocated based on average daily attendance. This property tax relief will be reflected as a savings on the tax bill. You may see a reduced or zero levy for eligible school bonds and supplemental levies.
